DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 02-18-05 has been entered.

Information Disclosure Statement

2. Acknowledgment is made of receipt of applicant's Information Disclosure Statement (PTO-1449) filed February 18, 2005.

Allowable Subject Matter

3. Claims 1-31 & 50-54 are allowed.

The following is an examiner's statement of reasons for allowance:

Newly provided references neither teach nor make it obvious as a whole the claimed limitation of the instant application, as recited in claims 1, 15, 29 & 50, either taken alone or in combination. In particular, none of prior art teach a pair of channel regions each having a first portion extending underneath one of the trenches, a second portion not disposed in the substrate strip and extending along the one trench, and a third portion extending along the substrate surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
